Submitted,

The Excise Commr in his letter no 3943/175- dated 2nd December 1901 (SL no 50) solicited sanction to order from Mr Casella of London, certain Scientific Instruments. As the letter gave no information about the necessity of buying such instruments or the estimated value, it was enquired (1) whether the instruments were necessarily required, (2) what was their estimated cost & (3) what is the balance available in the Budget for the purpose.

The Excise Commr in reply states (1) that the purchase of the instruments is absolutely necessary, (2) that the estimated cost is Rs 400/- (3) and that Rs 4232/10 are available under the head "Instruments

B

and Furniture" in the current year's Budget.

- A draft sanctioning the purchase is put up for approval & orders.

The order was issued accordingly

C/f. 6-no 16244-48 & 353-54 4/4/02

With ref. to the above Mech. Conr now submits 2 bills for £31-3-11 payable to Messrs Caulla & Co. in respect of the above articles — As the bills were not paid for before the close of the past offl yr the grant lapsed. Fresh Sanction is necessary & the cost is debitable to the Revenue of the Current offl yr. viz Rs 5000/— .

A draft is accordingly submitted for approval

for orders.
The enclosed indent includes among other things, apparatus &c required for the laboratory proposed to be set up & in addn to what is to be already supplied to it (Sl nos 45 & 47). The estimated cost of the instruments ~~was~~ included in this indent is not given. There is a provision of Rs 5000/ in the current yrs Budget under "Instruments, furniture &c".

Whether these instruments are necessarily required what is their cost, and if the balance available in the Budget for the purpose, should be ascertained.
